(SCA member name)

OPEN STUDIO TOUR REGISTRATION

In order to be a Registered Tour Artist, an artist must exhibit in a **Single Studio** or **Single Studio with one Guest**. Studio spaces are subject to SCA guidelines and approval.

Studio Registrations are limited to (2) total artists, and may not be located in a multiple artist commercial gallery, or multiple artist studio location. Please contact SCA for sponsorship details to be on the open studio map as a sponsored gallery or multiple artist studio center.

Single Studio

An artist displays artwork at a **permanent** structure such as their working studio or home studio located in the SCA Region of Dartmouth, MA, Westport, MA, Tiverton, RI or Little Compton, RI.

Single Studio with one Guest:

An artist may invite or share his or her Single Studio space with one other local artist, whether the arrangement is long-term or only for the Tour weekends. Each artist registers individually for the Tour, each receives a thumbnail image plus text in the brochure, and the location is numbered on the Tour Map.

I am registering as: **Single Studio** or Guest Artist of a **Single Studio with one Guest**
