

SCA YOUTH ARTIST MICROGRANT 2017 Application Form

South Coast Artists, Inc. is a non-profit community-based arts organization that hosts the summertime SCA Open Studios Tour in the towns of Dartmouth and Westport, Massachusetts; and Tiverton and Little Compton, Rhode Island. As part of our ongoing educational mission, a micro-grant program was established in 2014 in memory of Poole Barker. Poole was a young, exhibiting member of SCA, she came from a family of artists and creators, and was a dedicated artist in her own right. A few years after her death, funds were given to SCA to develop a microgrant program to help other young artists with their creative pursuits. We hope that Poole's spirit of creativity, joy and exploration will live on in these grants.

SCA micro-grants are designed to encourage emerging young artists to explore their field of interest by helping cover costs of art materials and supplies, art related travel, training, classes, apprenticeships, or other expenses toward the completion of a creative project or goal.

In 2017 we invite emerging young artists who are current high school students in the towns of Dartmouth and Westport, Massachusetts; and Tiverton and Little Compton, Rhode Island to apply for a micro grant in the amount of \$500.

Interested youth must complete the form below including a description of their proposed art project or activity, and how the grant would support the project. A recommendation from a nonfamily member is required. **Applications must be received by October 2 2017.**

Grant recipients will be required to document their projects with a minimum of 4 photos as well as a written statement one page or more, summarizing their completed project experience; and must agree to allow photos to be used by SCA to publicize the results to its membership and communities. **Applicants will be notified by October 31 2017.**
